Abstract

All papers will be assigned an "OBC-13-xx" number.

A set of one-page abstracts that are to be presented will be provided to conference registrants at the time of arrival. A CD containing all papers will be provided to conference registrants. Two-page abstracts are not allowed due to space limitations. The following guidelines are provided for authors to prepare the final one-page abstract:

Title: Should be as concise as possible – maximum of 15 words.

Font and Size: Use 12-point Times New Roman for text, captions and author contact information.

Mathematics and Tables: Shall not be included

Figures: Optional and shall be clean.

Key Words: Maximum 8 words placed at the end of your text on a separate line.

Abstract Submission: Email one page MS-Word or PDF file of Abstract to:
Abstract_3OBC@hotmail.com
